

DOMAINE VACHERON

Sancerre Blanc 'Guigne Chevres'

The Vacherons without question are Sancerre's leading winemaking clan. From the family's pioneering work in identifying and exploring the region's top terroirs to their leading position in biodynamic viticulture, there are few if any artisans today in Sancerre as exacting or as respected. The estate's peerless older vines, planted and cultivated by generations of family members, are cared for fastidiously. Yet it is their single-vineyard wines, like 'Les Romains'—terroir-based selections recalling the painstaking work of Burgundian monks in the Côte d'Or—that have shown the world the heights and complexity that Sancerre can reach.
