Domaine Daniel et Julien Barraud is not only the source of Vergisson’s finest organic wines but also is the standard for world-class white Burgundy from the Mâconnais. The petit hamlet of Vergisson, with its limestone soils and high-altitude vineyards, is where the region’s finest wines are made. Here, families like the Barrauds have for generations preserved their craft in its most honest form, making wine by hand from well-tended organic vineyards and aging their wines in small, old-fashioned cellars. Theirs are wines that without fail can stand tall next to comparable bottles from the Côte d’Or, yet still offer exceptional value.
