

DOMAINE PHILIPPE GAVIGNET

Bourgogne Aligoté

The style of Gavignet Burgundy “brings back” the profound elegance of Pinot Noir to Nuits-Saint-Georges, an appellation often known for more structured, meaty wines. Gavignet wines are solid proof that Nuits has the terroir to produce elegant Burgundy but that it requires a conscientious winemaker such as Philippe to craft it. What first attracted us to this now fifth-generation estate nearly more than 20 years ago was the impressive pedigree of Gavignet’s vineyards in Nuits. What you’ll discover with his selections are some of Nuits’ most expressive, very-old-vine terroirs, with vines planted as far back as the 1920s.
