

AZIENDA VINICOLA ROCCA DI MONTEGROSSI

Toscana Rosato 2016

The Ricasoli-Firidolfi family is synonymous with Chianti Classico, as Baron Bettino Ricasoli in 1872 created the original "formula" for Chianti Classico's blend of grapes. The Rocca di Montegrossi estate is located in a unique micro-zone called Monti in Chianti, part of Gaiole in Chianti. This exceptional, high-altitude plateau with its stony, calcareous soils produces some of the more elegant and harmonious Chianti Classico wines in the appellation; Monti in Chianti is one of the "very best areas" of Chianti Classico, says Antonio Galloni.
