

DOMAINE DES PIERRES SÈCHES

Saint-Joseph Rouge

After wine studies in Beaune, winemaker Sylvain Gauthier decided to explore native Rhône grapes first with Michel Chapoutier and then with Stéphane Robert, before he was ready to start his own project in the true center of the Saint-Joseph appellation. He founded his micro-domaine in the village of Cheminas in 2007, the name "pierres sèches" inspired by the hand-built, ancient stone walls that support vineyard terraces on the steep slopes of the northern Rhône. Farming organically and using little sulfur at bottling, Sylvain's wines are vibrantly flavored and energetically spiced—in sum, serious northern wines that have quickly become a must-have from an up-and-coming talent.
