

CAVE DE GORTONA

Sauvignon Blanc

Winemaker *Éric Louis*' exploration of greater Loire terroir brought him to Saint-Thibault, north of the village of Sancerre, to found Cave de Gortona. Here on the banks of the river, traces of an ancient Roman settlement point to an extensive viticultural history. Regional grapes grow on alluvial soils, just outside the Sancerre appellation boundaries, and are cared for sustainably. Cave de Gortona wines are fresh and refined and lively—offering excellent value for the quality.
