

BOYER DE BAR

Vin de France Rosé 2021

Winemaker Vincent Boyer of Domaine Boyer-Martenot as of 2018 has teamed up with his childhood friend Emmanuel Lucas De Bar, who owns vineyards in the Hérault valley in France's Languedoc, to form a winemaking partnership across appellations. Organically raised and crafted with the same care as Vincent's peerless Meursault wines, these new, very limited-quantity wines combine the pleasure of the sunny south with serious Burgundian quality—and represent excellent value.
