

MAS DE GOURGONNIER

Alpilles Blanc 2021

When people talk seriously about “natural” wines, Mas de Gourgonnier’s organic wines are at the top of the list. Since the eighteenth century, the Cartier family has worked the land in Provence, providing the local abbey with freshly grown fruits, vegetables and grain. They also were one of the first certified organic estates in Provence in the early 1970s. Here you’ll find a direct, unadulterated connection between the land and each bottle—flowering rosemary, wild sage and juniper plus the mountain freshness of regional “mistral” are all echoed in the estate’s wines. This is a vine-growing family that doesn’t have to “sell” a natural philosophy, however; it’s simply who they are, and who they’ve always been.
