

AZIENDA AGRICOLA DURIN

Riviera Ligure di Ponente Vermentino

Winemaker Antonio Basso represents the third generation of farmers from Ortovero, and tends some 259 separate, small vineyards on steep hillsides just three miles away from the azure Mediterranean as the crow flies. Altitude here ranges from 150 feet to as high as 2,100 feet! This is the inspired madness of vine growing in mountainous Liguria—so much so that there are only a few dozen, full-time producers in the region. Yet for those stubborn, inspired few, what Liguria can give is nothing less than extraordinary. The thread that connects the wines of Liguria is indeed the sea: whites are limpid and invigorating, reds tangy and saline-kissed. Each bottle begs for Mediterranean cuisine and lively company.
