

CLOS DU MONT-OLIVET Châteauneuf-du-Pape Blanc 2023

The family estate of Clos du Mont-Olivet is the collector's choice for traditional, aromatic and age-worthy southern Rhône blends. This multigenerational estate was one of the first wineries North Berkeley Imports partnered with in the south of France more than 25 years ago; since then, the estate has come to symbolize both what we seek out in winemaker-partners and importantly, what we hold true and dear in great wine. Always elegant, aromatic and long-lived, these wines reflect not only the rich character of southern Rhône terroir but also the subtle, spicy personalities of the region's native grapes. Clos du Mont-Olivet is "one of the great estates of Châteauneuf-du-Pape," says the Wine Advocate.
