

AZIENDA AGRICOLA MUSELLA

Valpolicella Superiore Ripasso

We've discovered a modern-day Garden of Paradise at Azienda Agricola Musella, not far from Verona. This inspiring biodynamic estate is a regional treasure, with some 1,000 acres of wild forestland, fruit and olive trees, and hillside vineyards dedicated to native grapes Corvina, Corvinone and Rondinella. Since 1995, the Pasqua Di Bisceglie family has worked to return this grand estate to its noble viticultural past. Musella's biodynamic credentials are serious. Certified by Demeter, the family works tirelessly to ensure that the natural beauty and health of their 60 vineyard acres remains in balance. Today, Musella wines are the true benchmarks for naturally made Valpolicella and Amarone.
