

## DOMAINE ARLAUD PÈRE ET FILS

### Clos Saint-Denis Grand Cru

Domaine Arlaud is a reference point for natural Burgundy wines. Preserving the health and character of their vineyards is of utmost importance to this generations-deep biodynamic winemaking clan. For more than 20 years we've partnered with this family from Morey-Saint-Denis, witnessing each vintage the ever-greater clarity of expression they have been able to achieve in each of their harmonious Burgundy wines. Today the Arlauds stand side-by-side with Burgundy's most respected names. The estate holds both organic and biodynamic certifications, the very first to do so in Morey-Saint-Denis.
