

AZIENDA AGRICOLA PIETROSO

Rosso di Montalcino 2021

Estate founder Domenico Berni in the 1970s had a dream: to craft a soulful Sangiovese just a stone's throw from the center of Montalcino. With barely an acre of land, Berni's wines (crafted for personal consumption) were so good that friends encouraged him to make wine for the world as well. Three generations and a few more acres later, the descendants of "Delfo"—nephew Gianni Pignattai, his wife Cecilia, son Andrea and daughter Gloria—are continuing their granduncle's passion. Pietroso delivers true Montalcino wines, riveting high-altitude Sangiovese that is effortlessly elegant and concentrated.
