

DOMAINE CUROT

Sancerre Blanc

Winemaker *Éric Louis* can follow his roots in Sancerre as far back as 1860, when his great-grandmother *Pauline* was an early pioneer in tending vines and bottling her own wines. Her hard work has inspired each succeeding generation here in the Loire Valley, so much so that “*Les Celliers de la Pauline*” have rightfully earned a place in Sancerrois history. Sauvignon Blanc of course has remained the family’s passion, with hillside vineyards to the southeast of Sancerre in Vinon, renowned for their mineral, silex-rich soils.
