

SAB'S ALEMBIC BOURGUIGNON

Le Pinot Gin

Master distiller Mathieu Sabbagh has made it his purpose to preserve the tradition of the itinerant distiller in Burgundy, an artisanal calling that in recent years has been in peril of dying out completely. Sab's is based in Beaune, the "capital" of fine Burgundy and the ideal location to showcase the transformation of one of the world's greatest wines into a terroir-inspired collection of craft spirits. All of Sab's creations start with a base of eau de vie de Bourgogne—a pure, vibrantly aromatic distillate of Pinot Noir and Chardonnay, sourced from many of Burgundy's most sought-after and important winemaking families.
